

Rawasi Alroya

Company Profile

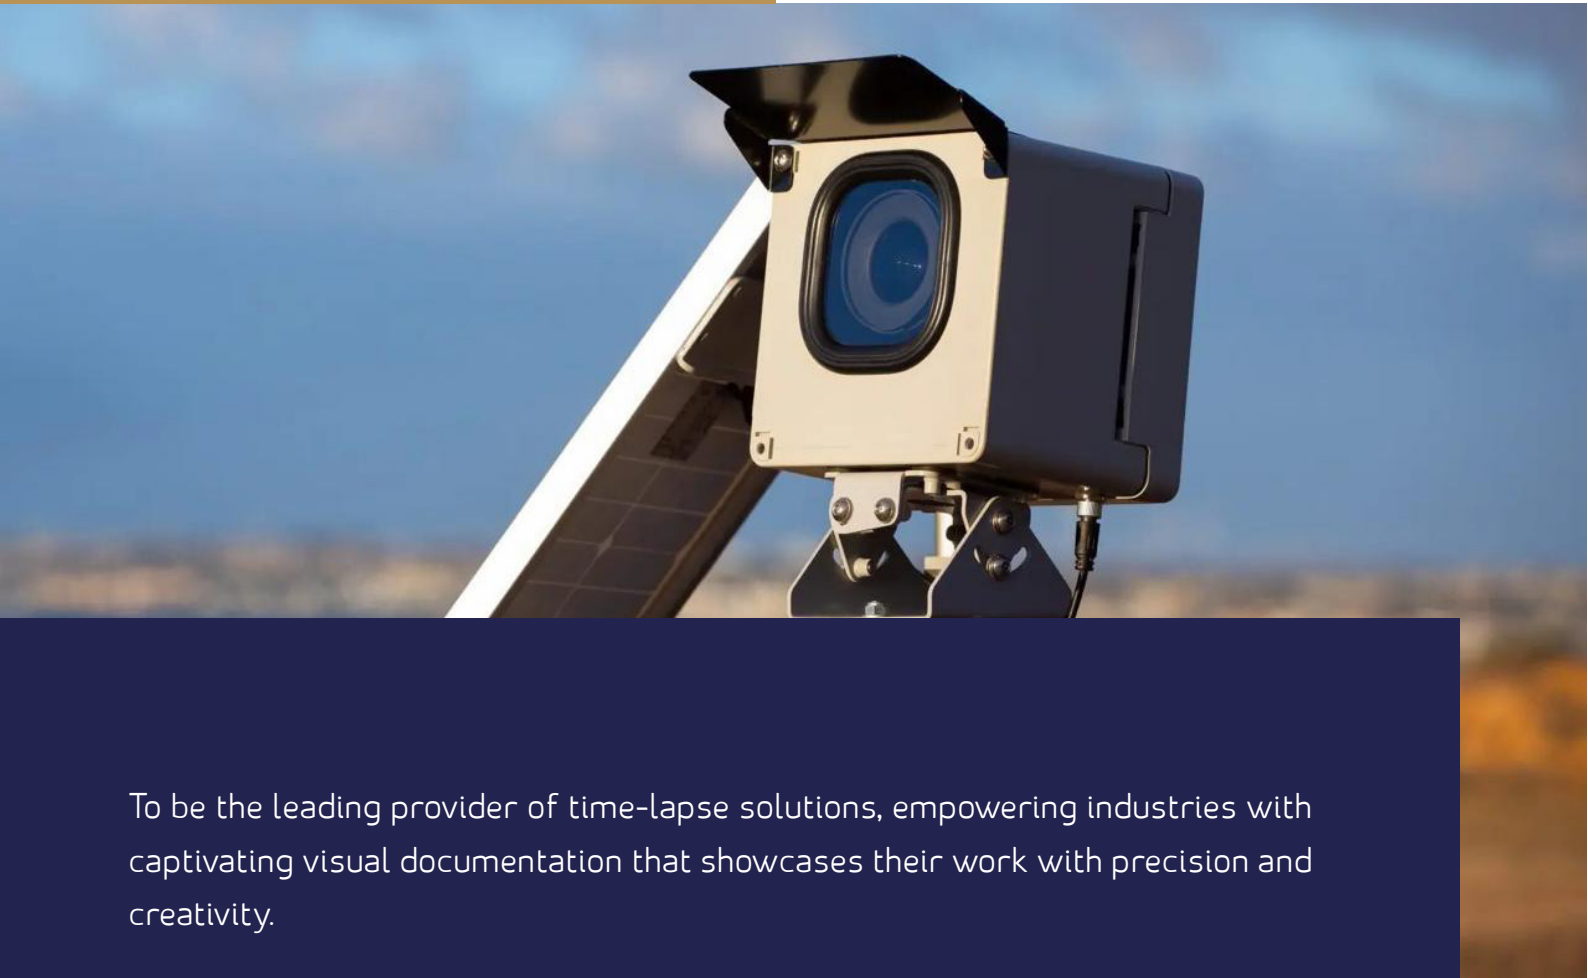

Overview

Rawasi Alroya EST. is a premier provider of time-lapse camera solutions, headquartered in Ishbilya, Riyadh, KSA. We specialize in providing top-tier monitoring and documentation systems for various industries, including construction, real estate, and infrastructure. Our commitment to excellence and regional expertise makes us the go-to provider for businesses seeking visual insights into their projects.

Our Vision

To be the leading provider of time-lapse solutions, empowering industries with captivating visual documentation that showcases their work with precision and creativity.

Our Mission

To provide cutting-edge time-lapse camera systems with exceptional customer support, ensuring smooth documentation for every project, from start to finish.

What We Offer

I. Time-Lapse Camera Systems

- o Durable, weather-resistant cameras designed for long-term outdoor and indoor use.
 - o Remote access and cloud integration to monitor progress in real-time.
-

II. End-to-End Support

- o Consultation, installation, and maintenance for seamless project documentation.
 - o Ongoing technical support to ensure system efficiency throughout the project lifecycle.
-

III. Customized Solutions

- o Tailored to specific industry needs, whether for construction sites, real estate developments, or events.
